

Greetings from the Imperial Prince Bernard (Red) Hollander

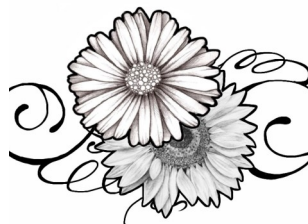

Dear Dokey Brothers

It seems like only yesterday that I was elected your Imperial Prince. Soon I will be chairing our Imperial Palace Session in Cleveland and my term will be over. I have really enjoyed my time as your Imperial Prince. I travelled as much as the budget and my health would allow. I went to several Temples and numerous Knight state conventions bringing the word of my program to them. I was always treated with the greatest respect and consideration.

Over the years that I have been a Dokey, I have had numerous mentors and I would like to thank each of them personally however several have made the journey to the Great Temple above. Never the less I would like to publicly thank Brothers William Thomas, William "Bill" Allen, William Shilling, Art Bonnet, Richard Frank, Howard Woods, and the great couple of Irving and Lorraine Rosenthal. Irving and Lorraine are known for their individual efforts to send cards to everyone they could. What a wonderful gesture to lift up all of their friends. I can't leave out Brother George Foxx and wish him the very best health.

I also want to thank my counterpart, Judith Shamus, Most Gracious Maharani of the Nomads of Avrudaka. She and her team have been super to work with in getting arrangements made for our joint convention in Cleveland this August. Judith is a wonderful and very caring individual. Finally, I would like to thank Brothers Koehler, Imperial Secretary and Moder, Imperial Treasurer, for their kind considerations and hard work to help make my term successful. One never fully realizes the amount of work involved and what happens "behind the scenes" to make one successful. If you have not purchased a Monthly raffle ticket from Brother Moder, please consider doing so, it will help make our convention and future conventions more enjoyable. I even won a prize so anyone can win! So until I meet you in Cleveland, I'll sign off now. Please remember to get in your student loan paper work on time.

Dear my fellow Nomads,

“On the road again” that seems to be the theme of my term as Maharani.

I just returned from instituting the Yellow Rose Temple #72 in Mineral Wells, Texas. The Sisters in Texas have been trying to get this Temple started since I took office and suddenly everything fell in place and within two weeks they were ready to go, so into my car with my trusty co-pilot (Laura) and away we went. We drove from the bareness of winter to the lushness of spring and discovered that speed limits are meant to be the minimum speed allowed on the freeways.

We attended the District Convention in Mineral Springs ,Texas. At the conclusion of the District Convention 15 Sisters and 3 DOKKS became Nomads. They were all Obligated and conducted a ritualistic Darbar. Their enthusiasm was contagious and certainly made the trip worthwhile. I hope to see many of the Yellow Rose Nomads at Imperial in August.
